This worked Bill. The entire project included jobs 1204483, 1204560, 1204692, 1204761, and 1205056. I believe you sent the zip files for 1205056. If it is not too much trouble, please send zip files for these other jobs. Thanks much.

Hi Bill - thanks for getting back to me quickly. Our email servers reject .zip files. Could you rename the file and resend? (just add a .junk extension - that should do it). Thanks.

Hello Tom - I have been examining the raw data files. Would it be possible for me to get any of the electronic data files? Specifically, the (.D) files (MSDCHEM files). I am interested in doing some overlays - we have several versions of MSDCHEM in our lab, so I can get our folks to do the work.

Anyway, please let me know. Thanks.
